

## Progression Event - June

Departments have organised sessions for you to attend to help with your Progression research. **You can attend** sessions delivered by Departments and subjects you **do not** currently study so look at the whole of the programme. There are some general sessions as well.

Please complete the Timetable below and take a photo of it (or copy it out again) and hand this copy to your Personal Tutor who will use the information to help write any references for you to show you have been interested in a subject or pathway.
