**The Governing Body currently has vacancies for
2 new governors to join our supportive and inclusive board**

What do we need?

We are seeking volunteers who are keen to help shape the future of the College and are motivated to make a difference to students lives.

No previous governance experience is required.

Ideally, one of our new governors will have experience in one of the areas listed below but this is not essential.

Who should apply?

The Governing Body champions diversity, inclusion and wellbeing and encourages applications from anyone who is eligible to be a governor and is willing to work in a diverse environment that aims to reflect our student body.

Governors recognise the value of positive diversity and as some communities are currently under represented on our board, we would especially welcome applications from people who:

- ◆ Identify as LGBTQI+
