

# The Sixth Form College, Colchester

## Governor Vacancy

**We are proud of the College's inclusive values and we are looking for people who would like to serve the community as a college governor**

---

### **What do we need?**

We are seeking volunteers who are keen to help shape the future of the College and are motivated to make a difference to students lives.

### **What skills and experiences are we looking for?**

No previous governance experience is required.

Ideally, our new governors will have experience in one of the areas listed below, although this is not essential.

- ◆ Education
- ◆ Equality, Diversity & Inclusion
- ◆ Special Educational Needs & Disabilities

### **Who should apply?**

The Governing Body champions diversity, inclusion and wellbeing, and encourages applications from anyone who is eligible to be a governor (trustee) and is willing to work in a diverse environment that aims to reflect our student body.

Governors recognise the value of positive diversity and as some communities are currently under represented on our board, we would especially welcome applications from people who identify as:

- ◆ having a disability
- ◆ Black, Asian or from a Minority Ethnic community
- ◆ LGBTQI+

---
